"I decided to participate in Leaders on Board because I was ready to commit to a nonprofit whose mission I believed in. Several of my good friends had already participated in Leaders on Board and said that it was the best way to find a nonprofit that I could be passionate about. The program was extremely well-organized and helpful. The Orientation was a concise and valuable refresher on the obligations of a board member, delivered by well-informed and engaging presenters. The Express Match made it easy to find the right nonprofit for me."
